

Youthscape Essentials Programme

All-round training for current & aspiring volunteer church youth workers

Six interactive seminars exploring what life is like for young people today.

1. Why Youth Ministry?

How does youth work make a difference to young people?

2. Adolescent Development

How do young people grow and change as teenagers?

3. Growing Up Gen Z

What beliefs and values do young people have today?

4. Christian Discipleship

How do young people develop and grow in faith?

5. Sexuality & Gender

How do young people express and explore sexuality & gender?

6. Emotional and Physical Health

What impacts young people's well-being?

- Hear from young people as they share their experience of family, school, church and social media.
- Hear expert insights, the latest research and inspiring stories.
- Understand the skills and character that is required of a youth worker today
